GBYS Promotions

We participate in a leveled Recognition Program that was created for all Guide By Your Side (GBYS) organizations to ensure that all programs provide the same basic training which is labeled as the “Guide” Level. There are two additional levels, “Lead” & “Senior”, which guides can achieve based on completing basic competency tasks and additional activity points. We have recently had two guides promote to a new level. Don’t hesitate to congratulate the following GBYS team members the next time you speak with them.
