

Hello,

My name is Lindsey Johnson, and I am an undergraduate student at the University of Wisconsin - River Falls, studying Communication Sciences and Disorders. I am conducting research on the use of telegraphic language input with children who are deaf and hard of hearing.

I would like to request your participation in my research. I would like to learn about use and perspectives of telegraphic input with children who are deaf and hard of hearing from teachers and SLPs at deaf schools and auditory-verbal programs throughout the United States, and would greatly appreciate your contribution to the study.

The survey should take around 15 minutes to complete, and is completely anonymous. Responses are kept confidential. Before beginning the survey, participants will be asked to sign an informed consent form stating that they agree to participate in the survey.

Please let me know your response, and if you would like to participate in this valuable study. If you have any questions, please feel free to reach out to my research advisor, Dr. Lori Swanson.

The content of this email message has been approved by the UW-River Falls Institutional Review Board (IRB). IRBs are charged with protecting the rights and welfare of people who take part in research studies. Please contact the IRB Chair, Greg Ruegsegger, at 715-425-4945 if you have any questions or concerns.

Lori Swanson, Ph.D., CCC-SLP
